- Call for availability of Tents Units
- Water is turned off at the tent units and dining hall from October 30, 2007 through March 31, 2008.
- Fire wood: During the winter logs will be placed at the buildings. No wood will be stored in the units during the summer and fall. The woods are full of dead, dry timber that is perfect for fire building. Use this wood that is already on the ground. Do NOT attempt to cut your own wood.
